*The following information may be helpful to parents who have **children over 5 years old** who they would like to be **baptised** during 2016.*

### **Baptism of Older Children**

*We are delighted to be with parents in this stage of their child's faith journey. To assist them, we have developed a program that will give insight into the challenge and privilege of being part of the worshipping church.*

*The focus of the program is twofold:*

- Firstly we acknowledge and wish to honour the important role that parents have in helping nurture their child's faith. To that end, there will be a number of sessions of input for you and your child.*
- Secondly, Baptism is about being part of the wider faith community and witnessing to the presence of Christ in our lives. To that end, the expectation will be that you and your child will attend a number of Masses as part of the preparation process.*
