FORM: Authority to administer paracetamol

If placed on school letter head all requirements must be retained.

Paracetamol can mask signs and symptoms of illnesses and injuries requiring medical assistance; therefore, students can be administered a maximum of one dose of paracetamol and only in the following circumstances:

• the student is suspected to have a fever; is uncomfortable, irritable or is in discomfort or pain

Child's Name: Class:

Date period the au	thorisation is for (must no	t exceed the current school ye	ar)

- I confirm that my child has had paracetamol before and did not experience any adverse reaction.
- I understand that this authorisation is for a specific dose under specific circumstances
- I understand that I will be contacted for my permission for each specific instance
- Where a student's symptoms are not improved by the dose given, I agree to collect my child as soon as possible.
- I understand the potential risks and side effects of this medication for my child.

I give authorisation for my child to be administered one dose of paracetamol under the circumstances specified above.
