BACK TO SCHOOL!

2017

Dear Parents and Students,

Order your 2017 back to school pack from the 15th of November, 2016

We are pleased to advise that St Thomas More will be again using the locally owned and operated **Impact School Supplies** for the 2017 back to school season. With Impact, parents are able to order from a company that provides office supplies in the Sunshine Coast area, employs local residents and is supported by local Sunshine Coast businesses every day of the year.

Impact is able to deliver back to school packs at a price and quality standard that competes with anyone in the industry Australia-wide. When ordering the St Thomas More approved list of stationery, Impact can make sure that your child receives the same items that other children will be using (which will save you time and money in the long run). For tracking of orders, book packs will be delivered by courier and supported by Impact's own drivers.
