Wearing the school uniform

It is an expectation of the school, that all students be in complete and correct uniform and present themselves in a clean, tidy and well-groomed manner. This expectation extends beyond the school grounds, as the representation of St Thomas More in the community is influenced by students wearing the full and correct uniform. It is expected that students come to and from school in the correct uniform.

Teachers will remind students of what is required should they not meet expectations. It is important that in the first instance, parents check daily that the uniform and personal appearance standards are being met. This partnership between home and STM is important. This includes attention to the maintenance of uniforms in terms of wear and tear, freshness and size.

Our sun safety policy requires the wearing of hats whenever outdoors. Therefore, the wearing of hats with both the formal and sports uniform is a significant component of the school uniform.
