

School Fees 2026

Direct Debit and Credit Card Authority

Payment of school fees can be made via regular payments from either your bank account or credit card. This service is arranged by the Archdiocesan Development Fund Brisbane at **no cost** to families. You may choose to have payments debited from your nominated bank account on a weekly, fortnightly, monthly or quarterly basis, or via your credit card on a fortnightly or monthly basis.

This is an advantage to many families as it reduces the amount payable in any one transaction. We prefer payment options to be set up in November 2025 to allow for fees to be calculated over a 12 month period for more manageable payments, however this arrangement can be set up by families at any time. This ensures fees are finalised by end of term 4 2026.

Term statements will still be sent home to families who choose to use this service as a record of fees and payments. Receipts will not be issued unless requested, however if you are generously supporting the school with donations to our Building and or Library funds, we will arrange for the amounts to be taken from your regular payments and statements showing contribution portions will be issued at the end of each financial year for tax purposes.

Please find attached a School Fees Calculation Sheet to assist you in calculating your payment amount. Also attached is a Direct Debit Request form for payments from bank accounts and an Authority for Recurrent Payment by Credit Card for payment via credit card. Please ensure you select the correct form for your preferred payment method.

We are happy to help with calculations or completion of forms if required. Please email psunfinance@bne.catholic.edu.au or contact the Finance office and we will do the required calculations on your behalf.

If you choose to use either of these options, forms need be returned to the school office ASAP as these forms need to be processed by Finance by the end of November 2025 if you wish your payments to be calculated over a twelve month period.

PLEASE NOTE:

It is the responsibility of account holders with existing continuing direct debits and recurring credit card payments to re calculate fee repayments each year to ensure the correct amount is being deducted to cover fees. Please contact the finance office as per above if assistance is required.
